Finance Manager

Based in Aylesbury, Buckinghamshire, our client is looking for a qualified accountant, ACA, ACCA or ACMA, to join the UK arm of this international business as a Finance Manager on a permanent basis.

This job would suit an experienced Finance manager who is looking to join a business that is a leader in its field.

This individual will have strong communication skills, necessary to engage, influence and challenge successfully at all levels, as processes are ever changing and this individual needs to be able to deal with that.

The successful incumbent will be a Qualified Accountant with the ability to manage a small team. They will also be a confident self-starter, with the ability to work both autonomously and collaboratively. This role is seen as a platform to bigger things within the businesses and you will be ultimately responsible for the accounts of multiple divisions.

Duties will include:

- Partnering wider finance to ensure accurate and timely reporting of financial numbers
- Completion of weekly accounting processes
- Co-ordination of divisional balance sheet reviews and ensure the integrity of the numbers
- Multiple Vat returns for divisional accounting
- Inspire and motivate the other members of the team with passion, energy and commitment
- Ensure and monitor compliance with internal controls
- Preparation of weekly results and KPI's
- Share best practice and help other team members to achieve your common goals
- Support divisions, ensuring all processes are followed
- Management of a team of 2.
