

A digital artwork of a person's face, likely a woman, with short, light-colored hair. The image features a prominent glitch effect, with red and cyan color shifts and double-exposed edges. The person's eyes are striking, with a blue and red pattern. The background is dark gray, and the lower portion of the image is overlaid with a network of white, interconnected geometric lines forming various polygons. At the bottom center, there is a small, stylized circular logo with red and cyan segments.

WHITE OUT
